SPAN: The Southern Pine Awareness Network

Where to Use Southern Pine

Where can you use Southern Pine? Anywhere you'd like! The strength, durability and beauty of Southern Pine make it a perfect choice for any home improvement or new building project. Southern Pine wood is easy to buy, easy to handle and easy to install. It's a cost-effective choice compared to other options on the market, and the fact that it's an environmentally friendly building product really seals the deal.

Let your imagination run wild and see what you can accomplish!
